

*Merseyside Environmental Trust*

## What We Do

---

MET exists to raise awareness of environment and sustainability issues through promoting open discussion of local and global concerns, stimulating scientific enquiry and debate through our unique position as a politically neutral charitable body.

We also provide a programme of small grants to local voluntary and charitable organisations carrying out practical work in the Liverpool City Region and act as a signposting body for environmental events and activities in the region.

## Merseyside Environmental Trust

Room 208

Department of Geography and Planning

University of Liverpool

Roxby Building

Chatham Street
